

Metalcraft of Mayville

2020 N. Spring Street
Beaver Dam, WI 53916

Completion Date

Feb 2020

Project Type: Industrial

Horizon's Role: General Contractor

Project Attributes: General Contractor, Wisconsin

Metalcraft of Mayville is a unique three-sided addition to an existing manufacturing facility. In partnership with Nucor Building Systems, this project was Horizon's first manufacturing pre-engineering metal building construction projects.
